Details of the Monitoring Committees

The college is committed to flourish the ethical and professional values among the teachers and students. An Ethics committee was established to make awareness about the importance and significance about the professional ethics in future teachers. The committee takes a pivotal role in conducting programmes and activities to orient students and teachers towards the ethical standards as an integral part of the teaching profession.

Objectives

- To conduct seminar for the new students at the beginning of their course to introduce the professional ethics of teachers and teacher educator.
- Update the code of conduct for teacher students and administrative staffs.
- To organise professional ethics programmes to ethical values among students, teachers and administrative staffs.
- To conduct periodic programmes to appraise code of conduct.
