Sir/Madam

I am to inform you that after gathering input from the stakeholders, the curriculum committee diligently took all necessary steps in the structured review and enhancement of the curriculum. A curriculum committee meeting was held on 5/06/2023, which was attended by curriculum committee members and faculty teachers. Feedback received from the stakeholders was discussed and analyzed properly. It was found that according to the stakeholders the curriculum was adequate. There was a suggestion about the organization of new skill development courses. The stakeholders suggested a workshop for development of ICT skills and to organize more opportunities to develop future career fields.

Yours faithfully
