Nature of internee engagement during internship

Classroom Teaching

The student teachers went to school for 80 working days of teaching practice and they had done their part very well. They take classes through activity oriented methods. They follow the constructivist learning design.

Mentoring

The mentor provides guidance, advice and feedback to the mentees. Sometimes student teachers act as a mentor to provide support and guidance to the student teachers.

Student counseling

Teachers can play a critical role in student counseling by helping students to develop self confidence, personal growth, and positive change. Teachers can help students develop self confidence to share their worries and concerns

Assessment of Student learning

Student teachers of this institution continuously monitor the performance level of the learners directly or indirectly. They conduct many tests like achievement test, diagnostic test, action research, sociometry etc..

Organizing academic and cultural Events

Student teachers of our college participate in all the curricular and co curricular activities of the school and also organize and coordinate different programmes in school like day celebrations, youth festival, sports, science workshops, exhibition etc.
